

Pledge your wedge!

You will receive a slice of the pie as part of your pledge packet. Don't lose it! Return it with your pledge at our in-gathering on **Sunday, November 17** and help us fill in and grow the Generosity Pie.

We're in a time of transition, challenge and hope.

The Christ Church vestry commits to accountability and transparency about our finances and our future. As parishioners, it's critical to commit to support and grow our ministries. Please make your pledge prayerfully and proportionately. By considering giving back some percentage of God's gifts to us in our daily lives, we have reflected on our blessings and gratitude.

More pledge and financial background at www.christchurchdover.org/grow-the-pie

We can

GROW

the pie.

Expanding our generosity at Christ Church

Keep our Five Practices flourishing.
